Summary of Graduation Requirements

Required credits in specific courses = 18.00
 Elective credits = 6.00

Total credits required = 24.00

STATE TESTING

ELA	MATH
WA STATE HISTORY	SCIENCE (2021 & Beyond)

Represents .5 credits – usually one semester. *Personal Pathways may change requirements in these areas. ✓ = Completed requirement

Total credits required 24.00

Total credits earned _____

Total credits needed: _____

Personal Pathways: What are my career goals? _____

Community College _____ Technical College _____ 4 year College _____ Apprenticeship _____ Military _____ Other _____

College/University Entrance Requirements:

- College/university-bound students are strongly recommended to take English 12 or higher at NKHS.
- Most four-year colleges require a minimum of three full years of college-prep math through Algebra II or higher.
- Washington State four-year public universities require that students take math in their 12th grade year.
- Most four-year colleges require at least two years of the same world language.
- Most four-year colleges require at least two years of lab science. Washington State public four-year universities require that one year be **Algebra-based** Biology, Chemistry or Physics. Western Washington University requires one year of Chemistry or Physics.
- It is the student's/parent's responsibility to contact the individual colleges for specific freshmen entrance requirements at out-of-state colleges or universities.
